INTRODUCTORY NOTES

SCOPE OF THIS FILER GUIDE

This guide is NOT intended to be a comprehensive guide to use of the eFile & Serve System. It provides supplemental division-specific guidance for eFiling in the Civil Division. Detailed instructions about registering and using the eFiling system are available at:

<https://odysseyfileandservecloud.zendesk.com/hc/en-us> and additional Vermont-specific user guides and other information and training materials about electronic filing are available on the Vermont Judiciary's website at:

<https://www.vermontjudiciary.org/about-vermont-judiciary/electronic-access/electronic-filing>

SYSTEM NAME UPDATES

The Vermont Judiciary's electronic case management and electronic filing systems have recently been rebranded by the vendor that produces them (Tyler Technologies), resulting in some updates to the labels by which those systems are known. For the court's case management system, the name "Odyssey" has been replaced by "Enterprise Justice" or "EJ" for short. For the electronic filing system, the name "Odyssey File & Serve" (OFS) has been replaced by "eFile & Serve" (EFS), with our specific Vermont version also being referred to as "eFileVT." It is understood that many internal and external users may still refer to these systems as Odyssey, and that is perfectly acceptable for purposes of communication to the court and among court users. This notice is being provided to offer context as to why the court's updated instructional materials and announcements will no longer reference the "Odyssey" systems. If there are any questions or concerns about these changes, please feel free to reach out to itsupport@vtcourts.gov.

ACCESSING EFILE AND SERVE

All Vermont Courts have adopted universal eFiling in all dockets through the eFile & Serve system, which is a web-based platform accessible from any modern browser on a computer or mobile device. eFile & Serve can be accessed directly at:

<https://efilevt.tylertech.cloud/OfsEfsp/ui/landing> or via a link on the Vermont Judiciary's website's eFiling page at:

<https://www.vermontjudiciary.org/about-vermont-judiciary/electronic-access/electronic-filing>

REGISTRATION

Registration for eFiling is free and simple. All that is required is a valid email address. There are different registration options for firm/organizational users and independent users such as self-represented litigants. Instructions on how to register are found in the user guides and other materials in the "self-help" section of the eFile & Serve homepage.

NOTE: All users including attorneys and self-represented litigants who choose to eFile must self-register. Court staff cannot complete registrations on behalf of filers or edit any user's registration information.

TRAINING AND SUPPORT

For general information and questions about use of the eFiling system, on the eFile & Serve homepage <https://efilevt.tylertech.cloud/OfsEfsp/ui/landing> there are numerous resources:

- Live web training sessions and recorded trainings that can be viewed any time
- A Database of FAQs
- Chat, messaging and other contact options for support
- Training videos
- Downloadable user guides

Vermont-specific guides about filing in various division and case types are on the Judiciary website's eFiling page <https://www.vermontjudiciary.org/about-vermont-judiciary/electronic-access/electronic-filing>, also accessible here from the homepage:

There is also a Judiciary eFiling helpdesk for Vermont-specific eFiling procedural questions at: EFileSupport@vtcourts.gov

Please use this email for eFiling questions and do not send eFiling questions to the main Judiciary Helpdesk email.

FILING NEW CASES

After logging in to eFile & Serve, while on the Dashboard page, select Start Filing followed by Start New Case.

- Location: Select the appropriate county
- Category: Select Civil for all civil division case types, including Small Claims

CASE TYPES

Below are notes on some common civil case types. Additional case types are available to select when filing.

ADMINISTRATIVE DOCUMENT—ANSWER NO COMPLAINT FILED

This case type should only be used when filing an Answer to a case that has not been already filed with the court. The Filer should first try to find the Case Number, and if the Case Number does not exist, the filer can use this case type to file their Answer.

APPEAL—ADMINISTRATIVE AGENCY

This case type may be used for appeals of revocation of furlough status under 28 V.S.A. §.724.

CONTRACT

- Contract – Other
- Contract – Buyer Plaintiff: Case type is used for cases involving a buyer of goods or services alleging failure of the seller to deliver goods or service

FOREIGN SUBPOENA

Cases are usually filed by an out-of-state attorney. Out-of-state attorneys must register in eFile & Serve with an Individual account, not a firm account since they do not maintain a Vermont Bar number.

- Filing fee is \$295.00, 32 V.S.A. §1431(b)(1)
- Parties: Case type requires a petitioner and a respondent. The petitioner can be who is requesting the subpoena, and the respondent is the requestee.

The Vermont Judiciary has instituted a new per case filing fee structure for the eFiling system, effective **April 1, 2021**. This new fee structure is the result of a collaborative effort and the culmination the eFiling Fees Study Committee, as well as continued dialogue with the Vermont Bar Association and Tyler Technologies. The new per case fee is \$14.00 per filer or firm, payable upon a party’s first filing. Convenience fees remain in place with a 2.89% processing fee for credit card payments and \$1.00 per case for eCheck payments. However, a number of exemptions remain in place. All criminal filings are automatically exempt from the case fee and for any case type where there is no court fee, the party filing will not incur the user fee either.

PLEASE NOTE:

- The new per case fee is \$14 per party, per filer within a firm, charged once upon first filing. If a party’s representation changes from one firm to another, the fee will be charged again upon the new firm’s first filing into the case. A pro se litigant who chooses to use the eFiling system is also required to pay the fee upon first filing. If a pro se litigant later seeks representation, the fee would be charged again upon the firm’s first filing against the firm’s payment account.
- Some filers may be erroneously re-assessed the \$14 charge as a result of merging of system entities in Odyssey (a process to correct duplicate records for the same individual). When a party entity for whom the per case fee has been paid is merged into another entity for whom the fee has not been paid, the fee will assess again. Filers in those situations may contact Tyler Technologies for a refund.

EXEMPTIONS

For the following exemptions, parties must still choose a waiver account when filing:

STATUTORY OR RULE EXEMPTIONS

- Government and appointed filers, pursuant to 32 V.S.A. § 1433 and Rule 10(d)(1) of the Rules for Electronic Filing (2021)
- Stalking & Sexual Assault cases, pursuant to 12 V.S.A. § 5133(f)
- Relief from Abuse cases, pursuant to 15 V.S.A. § 1103(f)
- Abuse Prevention for Vulnerable Adult, pursuant to 33 V.S.A § 6933(b)

AS APPLIED ECONOMIC HARDSHIP EXEMPTIONS

- Fee waiver determination, pursuant to 32 V.S.A. § 1431(h) or 32 V.S.A. § 1434(b) in Probate cases, and
- Fee waiver determination, pursuant to V.R.C.P. 3.1 and V.R.P.P. 3.1

Government agency filers and others who are statutorily exempt from paying filing fees may file via a “waiver” account that can be set up for each registered user. There is a guide to creating a waiver account posted at <https://www.vermontjudiciary.org/about-vermont-judiciary/electronic-access/electronic-filing>.

A waiver account would also be used by anyone filing an Application to Waive Filing and Service Fees (*formerly IFP/In Forma Pauperis*). Filers upload the completed application in PDF format along with their other filing(s) and are notified after court review whether the application has been granted. If the request is denied, the filing will still be accepted but the filer will be sent a notice of a deadline for making payment of the appropriate fee.

Case filing fees paid to the Court are established by statute. Current fees and authorizing statutes are available at <https://www.vermontjudiciary.org/fees>.

The latest updates and answers to frequently asked questions regarding electronic filing are available on the Judiciary website at <https://www.vermontjudiciary.org/about-vermont-judiciary/electronic-access/electronic-filing>.

SUBMISSION AGREEMENTS

In order to submit a filing, boxes must be checked to certify:

- (1) compliance with the Rules for Public Access to Court Records
- (2) compliance with service obligations under V.R.E.F.

Along with the submission agreement checkboxes, this page also has a summary of the envelope information, including Case Information, Parties, Filings, and Fees. Each section has an Edit button in the top-right of the section that can be clicked to go back and make changes in that particular section. Once the boxes are checked under Submission Agreement and all information looks good in the summary, click on “Submit →” in the bottom-right of the page to submit the filing. Once submitted, there should be a pop-up window in eFile & Serve indicating that the envelope submitted successfully and offering options to either view a receipt of the filing or to return to the eFile & Serve dashboard.

FILING INTO EXISTING CASES

NOTE: All existing pending and closed cases that were in the legacy case management system will be searchable in eFile & Serve and available for making subsequent filings. For older cases that originated in the previous case management system, use the existing docket number in its full original format (including the 4-letter county initial/docket code at the end. Ex. 1-1-01 Ancv).

To start filing into an existing case, while logged into eFile & Serve and on the Dashboard page, select “Start Filing” followed by “File Into Existing Case.”

- **Location:** Select the county where the case being filed into is.
- **Search Options:** Select the bubble to search for a case either via the Case Number or by searching the Party Name. A Case Number will bring up one individual case while a Party Name search will bring up more cases if the party searched is/was involved in more than one case.

When the case being searched for appears, click on “Actions” in the top-right of the case followed by “File Into Case” to begin filing into the existing case.

Similarly to filing into a new case, there are sections for Case Information, Parties, Filings, Service, Fees, and a Summary. Case Information and Parties cannot be altered or amended here, however, additional parties can be added. Filings, Service, Fees, and Summary all follow the same general instruction as when filing a new case. There are some specific things to note for particular filings that go into existing cases:

COUNTER CLAIMS, CROSS CLAIMS, AND THIRD-PARTY CLAIMS

Select the appropriate filing code for each so that accompanying fee is assessed:

- Civil Counterclaim - \$90.00
- Civil Crossclaim - \$120.00
- Civil Third Party Claim - \$120.00

If filing one of these claims with an Answer, use the Filing Code for the appropriate claim and in the Filing Description type “Answer.”

POST JUDGMENT MOTIONS

All motions filed after judgment require a filing fee except for small claims actions, and motions to confirm the sale of property in foreclosure. *See 32 V.S.A. 1431(e)*.

NOTE: A Motion for Tack Order, if filed after judgment has issued, will require a post-judgment fee.

NOTE: Regarding Motion to Withdraw Limited Appearance

To withdraw from a case for a limited appearance, attorney should choose Filing Code – Motion to Withdraw Limited Appearance—and there is no filing fee for this motion type if post-judgment.

If filing a post judgment motion, select the Filing Code for the existing motion with a post judgment fee or if there is not a listed motion Filing Code with a fee, select Filing Code - Motion Miscellaneous with \$90.00 fee.

MOTION FOR PERMISSION TO FILE PURSUANT TO 15 VSA Sec 1182

To petition the court for an order to restrict abusive litigation in an existing case. There is no filing fee and filer may use a waiver account to avoid all fees.

AGENCY FILERS

Government Agency Filers and other entities who are exempt by rule or statute from paying any court filing fees will continue to be exempt from paying fees when filing in eFile & Serve. Such filers should set up a “waiver” payment account when registering and use this for filings made in the course of their official job duties.

Waiver of Filing Fees (*formerly known as “In Forma Pauperis” Process*)

To request a waiver of filing fees when submitting either a new or a subsequent case filing through eFile & Serve, select “waiver” as the payment method (the filer must have a waiver account set up as a payment method – this can be done in the filer’s eFile & Serve account settings).

You must include a completed Application to Waive Filing Fees (form # 228, available on www.vermontjudiciary.org) in PDF format.

Do not upload the form as an attachment to your lead document. After uploading your other documents, click on “+ Add More” then use the filing code “Application to Waive Filing and Service Fees.”

Cases will be accepted by the court through eFile & Serve regardless of whether the filer qualifies for a waiver or not. Review is completed by court staff after the initial acceptance from the eFiling system. If the request to waive fees is denied, or if the filer fails to submit the application form, they will receive notice from the court instructing them on how much is due and the date by which it must be paid to avoid dismissal of the filing.

APPEALS TO THE SUPREME COURT

When filing an Appeal of a Civil case to the Supreme Court, file the Notice of Appeal in the existing civil case and pay the filing fee to the Civil Division.

COPIES AND OTHER OPTIONAL SERVICES

Regular photocopies, certified copies and exemplified copies of court documents may be requested in the “optional services” section when submitting a filing.

IMPORTANT: when selecting any of these services, please also upload a document (the format does not specifically matter, and the filing code of “Copy Request” can be used) clearly stating the request including the specific documents for which you want printed copies, and whether you need a regular, certified or exemplified copy. There are different fees for each so be sure to select the correct option.

PHOTOCOPIES

Regular printed copies of court documents cost 25 cents/page and there is a \$1.00 minimum for any copies, so if the document is 1-4 pages long the cost will be \$1.00(select the option for “photocopies 1-4”). Printed copies of documents longer than 4 pages will be [# of pages X 25 cents] (select the option for “photocopies 5+” and enter the total # of pages of the document(s)).

Please also indicate clearly on your filed request document whether you want the documents mailed to you (if so, specify address), or whether you wish to be notified when the copies are available for pickup (if so, specify notification method).

CERTIFIED DOCUMENTS

Documents may be certified electronically and delivered to you via email if electronic certification is suitable for your purposes. Please specify if you would like that option (likely shorter turnaround time) or need a hard copy with a raised/embossed seal (may be required for some foreign jurisdictions).

REFILING AFTER REJECTION

When a filing is rejected:

- Filer will receive an email with the rejection reason and any comment the court may add
- Filer can see the envelope on the Dashboard of Filer's Account
- Click on either "View Filing History" in the middle of the dashboard page, or on the "My Filings" icon followed by "Filing History" on the left-side toolbar.

- Find rejected envelope
Locating the envelope can be made easier by changing sort options or changing search filters.
- Click Actions
- Click Envelope Details
- If filing was rejected, filer has **7 days** to refile with a correct document in order to retain the original filing date. Process to follow:
 - On the rejected filing click "Copy this envelope"
