## CLOSURE REPORT OF THE VERMONT JUDICIAL CONDUCT BOARD

Re: Docket No.: 24.033

---

This Complaint is the result of a matter in which the Complainant believed the Judge was biased against Complainant, due to rulings against Complainant and stated that the Judge's actions during the hearings were unprofessional. In addition, the Complainant was dissatisfied with the outcome of the litigation, which is a matter for an appellate court, not this Board. **Rule 6(17) of the Rules for Disciplinary Control of Judges states:**

The Board shall not function as an appellate court to review the decisions of a court or judge nor exercise superintending or administrative control over determinations of courts or judges.

The Judicial Conduct Board conducted an initial inquiry including a full review of the underlying case, review of the audio of each hearing and review of a response from the Respondent Judge. To the extent the Complaint alleges ethical impropriety, or a violation of the Code of Judicial Conduct the Board has determined that the allegations regarding bias are unfounded.

In addition, The Board found that the Complaint and the other materials submitted by the Complainant did not support or allege violations of any Canon of the Code of Judicial Conduct, but instead raised appellate issues. Therefore, the Board has determined that the Complaint falls outside of the Board's jurisdiction, and there is no cause for further proceedings *Rules of the Supreme Court for the Disciplinary Control of Judges*, Rules 6(17) & 7(1)

Accordingly, the Complaint in Docket No. 24.033 is DISMISSED.
