Good morning Merrick Grutchfield,

I write with respect to the Petition for Misconduct, PRB file No. 25-120, dated September 4, 2025, and emailed to me yesterday by Michael Hanley. As I stated in my request for extension emailed to you yesterday, I did not receive any notice of the petition until yesterday. I have also received no notice of the members of the Hearing Panel.

I write today to request a copy of the transcript and recording for the meeting of the probable cause panel that issued the Notice of Probable Cause Decision dated September 4, 2025, in the above-captioned matter.

I also request a copy of all documents reviewed by the probable cause panel in connection with or related to its Notice of Probable Cause Decision dated September 4, 2025, in the above-captioned matter

Respectfully,

Thomas Melone
