BEFORE THE PROFESSIONAL RESPONSIBILITY BOARD**

In Re THOMAS MELONE,
(Thomas Melone, Respondent)

PRB File No. 25-120

February 12, 2026

**RESPONDENT'S REPORT PURSUANT TO THE HEARING PANEL'S ORDER
REGARDING THE SUBPOENA ISSUED TO CAROLYN ANDERSON**

Respondent THOMAS MELONE ("Respondent") hereby submits this report regarding the first subpoena issued to Carolyn Anderson. On January 28, 2026, Respondent and Alison Powers (representing Carolyn Anderson) had a meet and confer teleconference to discuss the Respondent's motion to compel Carolyn Anderson to comply with the subpoena.

Respondent and Ms. Powers did not make any progress with respect to Ms. Anderson complying with the subpoena. However, Respondent and Ms. Powers discussed RESPONDENT'S SECOND A.O. 9, RULE 16F(1)(a) MOTION dated January 28, 2026, and agreed that Respondent would wait before filing another motion to compel until the Hearing Panel ruled on Respondent's second A.O. 9, RULE 16F(1)(a) motion.

The time for the filing opposition to the Respondent's second A.O. 9, RULE 16F(1)(a) motion has passed. That motion is therefore unopposed and should be granted forthwith.

Dated: February 12, 2026

Respectfully submitted,
/s/Thomas Melone
